"This should have been given as a ~~gift~~ a part of the Phillips Academy G.E. but because of a misunderstanding that part of P.A. G.E. was changed to Christian Ed Committee. When the error was discovered, the correction was made by paying out of this fund which should have been charged the C/O in the first place. If the transaction had been entered correctly the P A G E against this account would have been 1402 05 and ~~the~~ C/O of P.A. charge against Christian Ed Committee would have been paid out for services rendered by Suzanne Hutton.
